

2005 Chronic Wasting Disease Proclamation

TRANSPORTATION AND IMPORTATION OF WHITE-TAILED DEER, MULE DEER, AND ELK CARCASSES AND PARTS.

Pursuant to North Dakota law and upon the recommendation of the North Dakota Game and Fish Director, I hereby declare the following a precaution against the possible spread of Chronic Wasting Disease (CWD) into North Dakota:

Carcass Importation.

(1) It shall be unlawful to transport into North Dakota the whole carcass or carcass parts of white-tailed deer, mule deer, or elk from areas within states or provinces with documented occurrences of CWD in wild populations and from private game farms in those states and provinces except for the following portions of the carcass:

- Meat that is cut and wrapped either commercially or privately.
- Quarters or other portions of meat with no part of the spinal column or head attached.
- Meat that has been boned out.
- Hides with no heads attached.
- Clean (no meat or tissue attached) skull plates with antlers attached.
- Antlers with no meat or tissue attached.
- Upper canine teeth, also known as “buglers”, “whistlers”, or “ivories”.
- Finished taxidermy heads.

(2) The game management units, equivalent wildlife management units, or counties as provided in Subsections (a) through (i) have deer or elk diagnosed with CWD, and importation of harvested elk, mule deer, or white-tailed deer or their parts are hereby restricted pursuant to Subsection (1).
